Hi Doug,

These dates were just proposals. Our groups all must approve as well so let me know if there are other dates as well.

Best,
Amandine Muskus

Thanks Amandine. Right now those dates look open. Let me check her to see if people want to get out of the office for the meeting.

Appreciate all the help.

Hi Doug,

Thank you again for hosting us yesterday at the EPA. I will be following up internally and with the Alliance on the asbestos issue. I know that of the first 10 chemicals this was the only one that neither association commented on.

Also, as a follow-up on our discussion after the meeting. Global Automakers would be happy to host the February 2018 meeting at our offices here in Washington. Our proposal would be the week of the 26th of February perhaps either the Tuesday the 27th or Wednesday the 28th. Would either of these dates work with your office?

Best,
Amandine Muskus

Hi Doug,

Thank you for the meeting also! I will talk to my members and I will be in touch soon...

Thanks!

Best Regards,

Stacy

Hey Stacy and Amadine

Thanks again for coming over for the meeting. Can we talk about the question regarding use of asbestos in gaskets or other parts? Would it be useful to set up a call with your experts and our experts? We can share what we know to date, but really appreciate your help to determine if there are any ongoing uses in the auto sector.

Let me know.

doug
